C4E INSTITUTE FOR INVESTIGATIVE STUDIES

ABOUT

The C4E Institute for Investigative Studies is an exclusive & specialized educational institute offering Master's level university programs, short-term training, workshops, seminars, and certificate courses in the fields of forensic science, criminal investigation, and fraud detection. With a strong focus on hands-on learning, the institute engages scientific officers and industry professionals to deliver real-world knowledge drawn from active civil and criminal cases. Students gain practical insights through internship opportunities and are trained using the latest tools and technologies by the expert team at the Clue4 Evidence Lab.

C4E stands out as a career-focused institute that bridges academic learning with field experience. Through a blend of expert-led instruction and practical exposure, students are equipped with the skills needed to meet industry demands. The institute also supports learners with job placement assistance, helping them transition into roles in law enforcement, forensic labs, corporate investigations, and intelligence services—making C4E a launchpad for investigative careers.

CLUE4 EVIDENCE FOUNDATION(R) INDIA

ABOUT

CLUE4 EVIDENCE FOUNDATION is committed to empowering individuals and communities through a structured model of Learn, Serve & Support. Recognizing that no one chooses to be a victim—yet everyone is vulnerable at some point—we offer a comprehensive victim support platform that includes mediation, investigation, and litigation support. Our approach combines techno-legal expertise with psychological care, aiming to address fraud and crime with sensitivity and strength. As the only NGO of its kind, Clue4 Evidence works to enhance scientific investigation capabilities, legal awareness, and technological infrastructure for law enforcement agencies, while upgrading the skills of key societal stakeholders.

Through our flagship **GLOBAL FREE SKILL-UP PROGRAM**, we offer free certificate courses in critical fields such as Crime Scene Investigation, Investigative Psychology, Fraud Investigations, and Forensic Document and Fingerprint Examination. These programs are designed to bridge knowledge gaps, promote legal empowerment, and foster community resilience. Guided by our core values—Victim support, Empowerment, Investigation, Enlightenment, Knowledge enrichment, and Law enforcement — Clue4 Evidence Foundation strives to build a safer, more informed society where awareness leads to action, and victims become victors.

GLOBAL FREE SKILL-UP PROGRAM

The GLOBAL FREE SKILL-UP PROGRAM is a transformative initiative by Clue4 Evidence Foundation, designed to empower individuals across the globe with free access to foundational knowledge and practical skills in the fields of crime prevention, investigation, and forensic science. Rooted in the Foundation's core values of Victim support, Empowerment, Investigation, Knowledge enrichment, and Law enforcement, this program aims to bridge the gap between awareness and action. Through expertly crafted certificate courses, it provides learners—students, professionals, and socially conscious citizens—with the tools to understand, respond to, and prevent criminal activities while contributing to a safer and more informed society.

CORE VALUES

1

CORE SKILL BUILDING

Equips learners with industry-aligned foundational skills in crime scene management, fraud detection, forensics, and investigative psychology.

TECHNO-LEGAL SYNERGY

Integrates technology and law through modules in digital forensics, legal procedures, and investigative protocols to prepare learners for real-world professional roles.

2

3

APPLIED LEARNING

Provides hands-on learning through case studies and simulations to build critical thinking and investigative decision-making skills.

ETHICO-INVESTIGATIVE FRAMEWORK

Promote professional ethics and an investigative approach to ensure investigators uphold justice with empathy, integrity and legal compliance.

4

5

GLOBAL ACCESSIBILITY & CERTIFICATION

Delivers globally accessible, free online training with verifiable certification to enhance professional credentials in legal, forensic, and investigative fields.

PROGRAM OUTCOMES

**Industry-recognized skills.
Profession ready.**

**Hands-on & scenario-based learning.
Critical thinking and problem-solving.**

Globally accessible courses & verifiable digital certificates.

A growth mindset foundation for continuous adaptation & learning

The program equips participants to navigate both traditional and emerging technologies in investigative settings.

METHODOLOGY

Expert-Led Learning

Live sessions by industry professionals and subject matter experts

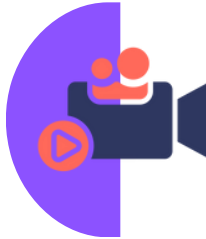

Hands-On Practice

Guided hands-on exercises and case studies.

Flexible Access

Recorded sessions available anytime to suit your schedule

Curated Course Mix

A unique blend of trending and specialized topics

Recognition & Showcase

Earn certificates and opportunities to display your learning

STUDENT BENEFITS

Gain real-world skills and techniques in investigation and forensics, directly applicable to careers in law enforcement, corporate security, and forensic science.

Provides digital certificates that validate skills and boost credibility for jobs, internships, and further education.

Provides a strong academic foundation and a stepping stone toward advanced certifications, degrees, and specialized training in justice and forensic fields.

Builds confidence through practical skills and helps students uncover new interests and career paths.

Boosts resumes with recognized certifications and opens doors to entry-level roles in law enforcement, auditing, compliance, and private investigations.

Fosters multidisciplinary thinking by blending law, science, psychology, and technology for a broader career perspective.

Enhances observation, profiling, and evidence-handling skills while fostering problem-solving and independent thinking.

Offers global networking and collaboration opportunities with peers, mentors, and instructors.

Provides digital certificates that validate skills and boost credibility for jobs, internships, and further education.

Inspires purpose-driven careers by showing how forensic skills can promote justice, prevent harm, and empower change.

INSTITUTION BENEFITS

Expands global reach and strengthens reputation as a provider of accessible, high-quality education.

Drives student enrollment and engagement through free, high-value, and career-focused courses.

Fosters collaborations with law enforcement, forensic labs, and industry experts for real-world exposure.

Enhances and diversifies course offerings with specialized, skills-focused programs that attract a broad student base.

Develops a skilled workforce in investigation and forensics, aligning with industry demands for job-ready graduates.

Boosts the institution's image as a forward-thinking, socially responsible entity that fosters community goodwill.

Establishes the institution as a thought leader through innovative, globally accessible forensic education.

Empowers faculty to engage in research and develop cutting-edge curricula in forensic science and investigative studies.

Shows commitment to social good by providing free education that empowers underserved communities worldwide.

Cultivates a vibrant alumni and learner community that supports the institution's mission through advocacy and collaboration.

FROM CHAIRMAN'S DESK

The GLOBAL FREE SKILL-UP initiative by the C4E INSTITUTE FOR INVESTIGATIVE STUDIES, which aims to empower students and professionals alike with critical, practical skills that form the backbone of modern investigative careers. While these are **introductory in nature**, they have been **designed to spark curiosity, build confidence, and lay a strong foundation for advanced learning and professional development**.

We believe in democratizing knowledge, and this program—offered completely OPEN to ACCESS globally, with just a nominal membership fee—is our way of contributing to a future where access to high-quality education is no longer a barrier to ambition.

I invite you to take your first step toward a career in investigation with us.

Warm Regards,

Mr. Phaneendar B N

Chairman,
C4E Institute for Investigative Studies.
